

WRY FAMILY UPDATE

Joshua turns 7

Greetings from Bolivia! We wanted to take a minute to update you with news from our side of things.

God is at work in our place of the world and we want to witness to the rest of you all and hope you will be encouraged.

We made sure we got a picture with Joshua and his Minecraft cake!

Right after dropping John off, Nelly and Joshua head off for school. Joshua has been enjoying school as he has made several friends. His favourite class is tech (the teacher lets them play computer games after they are done).

Rachel

Rachel was given an opportunity to participate as a teacher in the 2 Samuel Youth Conference in Tullahoma, TN earlier this year. Recently, Rachel was invited by her aunt to go visit them in California for a few days. She had a wonderful time getting to know them and also enjoying a lot of activities they had planned for her to do. She plans to come down to visit us for a month in May. We are really looking forward to that. Following her time with us, she hopes to go to work at Beacon Bible Camp for the summer.

Church Sunday School Teachers

The local church is already putting CC3D students to work. Of the 11 Sunday school teachers at, 5 are CC3D students

Classes continue as usual at CC3D. It is exciting to see what God's Word is doing in the lives of these young people. They are becoming more and more convinced as to the clarity of the Gospel, the necessity of growing in the knowledge and grace of Christ and the sufficiency of His person to live.

Women of the Word Conference

In the May, two young ladies, Rachel Musser and Amber Walker will be coming to teach a Ladies conference along with two of the girls from CC3D. Nelly has been working hard to organize the event and get things ready. This promises to be a wonderful event and we pray God will work in power through His Word.
